COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 2—*S. L., dated* 11th *August* 1931.

As Amended on 29th August 1931.

MEMO OF INSTRUCTIONS TO HOLDERS OF 7 PER CENT MYSORE GOVERNMENT BONDS OF 1931.

The principal of the 7 per cent Bonds which are due to be discharged on 1st November 1931 will be repaid at the office of the Comptroller to the Government of Mysore, Bangalore, or the Treasuries or Banks in which the interest thereon is being paid now, *viz.*, Treasuries in the Mysore State, the District Treasuries in British India and the Bank of Mysore, Ltd., Bangalore, and the offices of the Deputy-Controllers of the Currency, Bombay and Calcutta.

2. As 1st November 1931 happens to be a Sunday, the principal will be repaid on the previous day, *i.e.*, 31st October 1931. The interest due for the half-year ending 31st October 1931 will also be repaid on 31st October 1931 along with the principal.

3. The Paying Officers are authorised to make payments straight away without consulting the Comptroller, Bangalore, in only certain cases, and are required in other cases to send the bonds for examination to him. To avoid delay in payment, which may be caused by this procedure, holders are requested to lodge their bonds with the Officers authorised to pay the principal as noted above or to send them over to the Comptroller, Bangalore, for the examination of endorsements one month previously, *i.e.*, from 1st October 1931. This will facilitate the principal being repaid on the due date.

4. Holders of stock certificates should intimate any change of address to the Comptroller to the Government of Mysore, Bangalore, at once. They should arrange to complete any transfers they wish to make, well before the due date. They will get the principal repaid by the officers, who pay the interest warrants for the last half-year.

5. The securities tendered by the holder should be duly discharged under his signature as "Received the principal due on this note or stock certificate" as the case may be. In cases where more than one bond is presented for payment, the following alternative form of discharge may also be adopted. The discharge on one bond should be as "Received the principal of Rs..... .....due on this bond and bonds numbered..... ....." On all the other bonds the discharge will be as "Received the principal of this bond as specified on bond number....." (the first bond.)

6. Where the title to give discharge or to endorse the bond has been derived from a legal document other than a power of attorney, *e.g.*, a succession certificate, probate, etc., such documents will have to be previously accepted by the Comptroller, Mysore Government before payment can be made. The bonds and the documents should therefore be sent to him well in advance of the due date.

7. The signature of a lady in a language other than English or Kannada will have to be transliterated into English and authenticated by a stipendiary Magistrate or the Treasury Officer.

8. The discharge receipt and thumb impression of an illiterate person should be attested by a stipendiary-Magistrate or the Treasury Officer as follows:—

"Certified that the above discharge receipt was explained to.....and he is satisfied with the meaning and effect of the discharge receipt in token of which he has affixed his left thumb impression before me."

Signature.....

9. Any further information required may be obtained from the interest paying officers or from the Comptroller, Mysore Government, Bangalore.

S. SHAMANNA,
Comptroller.

SUBJECT.—**Entry of date of birth in Service Registers.**

Circular No. 210—*TAD.B., dated 1st October* 1931.

To

All Heads of Offices

In extracts of Service Registers relating to dates of birth sent by heads of offices to the State Life Insurance Office, full details *re* date of birth and the document on which it is based are, it is understood, not furnished invariably. This is evidently due to the omission to record these particulars in the Service Registers themselves when these are written up.

Attention is therefore invited to para 27 of the Annexure to M. C. A. C. Volume I, laying down, among other things, that the entry in the Service Register regarding date of birth should be full and that it should indicate on what evidence the date of birth is accepted by the appointing officer or the head of the office. For this purpose, a new column "Document on which the entry of date is based" has been provided in the Service Registers newly printed. The following will be printed as a foot note in the Service Register when it is next printed :—

The following shall be considered as satisfactory proof of age.—

1. An authenticated extract from the birth register or the Baptismal Register ;
2. Original copy of the horoscope, or correspondence at the time of birth supported by a declaration before the head of the office; or
3. An affidavit of parent of the applicant or a close relative who has knowledge of the approximate date of birth of the applicant signed before an officer, who is competent to administer oath. In every case, the official should make a declaration by himself that he is producing the best evidence he can get and that he binds himself to the age so given."

Heads of offices are requested to see that the columns 'Date of birth (by Hindu era or Christian era) and Document on which the entry of date in the Service Register is based' are correctly filled in and that the document accepted as evidence for the date of birth is one of those referred to in Clause C, Para 27 of the Annexure to M.C.A.C., Volume I.

They will also see that information regarding date of birth is furnished to the Insurance Office in a complete and correct manner.
